**Kayak – Canoe – Paddle Board & Paddle Boat Storage**

For the 2022 season, we find it necessary to request that all members that plan to store their kayaks, canoes and/or standup paddle boards to register them and obtain/attach a new PSA sticker to them. We have had incidents in the past where equipment was found floating away or left in the beach area with no way to identify the owner. We have had equipment left on the racks into November with no way to identify the owner. This has caused delay issues as we try to make repairs to the racks. Many of the older stickers have become unreadable. We are asking all who use the racks to register their equipment and obtain a new sticker.

New stickers will be available on the beach on Saturday, April 30<sup>th</sup> from 11:00AM until 2:00PM. As an alternative, members may call Carole Mostoller at 603-279-7016 to arrange a convenient time to register your equipment. Thank you for your cooperation.
